ELECTRIC ASSISTED SEEDER

e.SEEDCAR +

Functions of the seeder e.SEEDCAR

The Rotadairon® e.SEEDCAR+ 750w is an electric-powered lawn seeder that allows you to comfortably sow grass while protecting the environment. Its electric motor is quiet and its battery offers 60 to 90 minutes of autonomy, or approximately 2,500 m² on a single charge.

- For sowing on prepared soil: The expanded metal roller at the front embosses the soil. Then the seed drill deposits the seeds. Finally, the rear roller smoothes and compacts the soil to ensure good germination.

- For overseeding: By tilting the handlebar of the e.SEEDCAR +, you can overseed after the necessary preliminary steps (short mowing, intense dethatching/scarification). After sowing, a soil amendment must be applied, followed by a pass with the smooth roller to ensure good germination.

Quality of service

A large stock of spare parts is permanently maintained at our factory. Our partners have online tools and quick access to manufacturer information. Maintain the quality and performance of your Rotadairon® by using only original parts.

- 1 Seed level indicator
- 2 Seed flow adjustment
- 3 Seed Depot Calibration Auger
- 4 Quick adjustment of handlebar height
- 5 Lithium battery
- 6 Stainless steel gravity drill
- 7 Advancement trigger
- 8 Quick opening / closing system by guillotine, without flow change
- 9 Handlebar in semi-position, tilttable to sowing position
- 10 Hedgehog

Machine	e.SEEDCAR +
Seeding width	700 mm (27" 1/2)
Autonomy	60 - 90 minutes (≈ 2500 m ²)
Lithium battery	36 V / 11.6 Ah Supplied with charger 230 V (E/F plug) Full charging time : 3h30
Total width	860 mm (33" 7/8)
Front roller type	Metal mesh
Front roller diameter	220 mm (8" 1/2)
Rear roller type	Stainless steel smooth
Rear roller diameter	200 mm (7" 3/4)
Weight	72 Kg (159 lb)
Transport dimension w x L x H	860 mm x 850 mm x 1085 mm (33" 7/8 x 33" 1/2 x 42" 3/4)
Seeder	
Type of seed drill	Stainless steel gravity seed drill
Seed rate adjustment	Adjustment dial 0 to 6
Seed rate calibration	Calibration bucket
Seed drill capacity	55 liters (14,5 US gal)
Option	
	Extra battery
